Position: - Web Developer internship
Expect Salary: Nego

Summary

I have a versatile skill set that includes HTML, CSS, SQL, PHP, and basic JavaScript and Java SE knowledge. I am experienced in Windows Server 2012, Office applications, Adobe software, and possess a basic understanding of Azure Cloud. Additionally, I have knowledge in security, routing, operating systems (Windows, Linux-basic), and Agile development. Quick learner, good communication, and passionate about improving.
